2010 Conference:

The Science Behind Anti-Doping

Thursday, March 4, 2010
MLB Conference Center, 245 Park Avenue, 29th Floor, New York, New York

Presented by
Partnership for Clean Competition and
The Office of Continuing Medical Education
David Geffen School of Medicine at UCLA
Course Description

One of the major challenges facing every level of sport today is the use of performance-enhancing substances. Without oversight and drug testing, this problem has the potential to destroy the health of innumerable athletes as well as undermine the integrity, value, and purpose of sport.

This conference will identify the latest advances in testing, focusing on long-term, research-based solutions to deter and detect the usage of performance-enhancing drugs. The research aims of recently funded studies will be presented in an effort to apply the best science research into the drug testing field. The conference will further detail the process by which an adverse analytical finding is determined and how that translates into adjudication for an athlete.

Educational Objectives

At the conclusion of this program, participants should be better able to:

▲ Learn the significance of science in detecting and deterring the use of performance-enhancing drugs
▲ Identify and understand the methods currently employed for drug testing athletes
▲ Identify future strategies to enhance current drug testing approaches
▲ Learn how PCC funding furthers research to improve testing methods
▲ Understand the ramifications of an adverse analytical finding on the adjudication of an athlete

Course Chair
Gary Green, MD
Clinical Professor, Division of Sports Medicine
David Geffen School of Medicine at UCLA
Los Angeles, California

Speakers and Curriculum Consultants

Neil Abramson
Partner, Proskauer
New York, New York

Larry D. Bowers, PhD
Chairman, PCC Scientific Advisory Board
Chief Science Officer
United States Anti-Doping Agency
Colorado Springs, Colorado

James C. Boyd, MD
Associate Professor of Pathology
University of Virginia
Charlottesville, Virginia

J. Thomas Brenna, PhD
Professor of Human Nutrition and of Chemistry and Chemical Biology
Cornell University
Ithaca, New York

Bob DuPuy
President & Chief Operating Officer
Major League Baseball
New York, New York

Bryan S. Finkle, PhD
Member, PCC Scientific Advisory Board
Consultant Forensic Toxicologist, National Football League
Cameron, Montana

Daniel R. Halem
Senior Vice President and General Counsel
Major League Baseball
New York, New York

Caroline Hatton, PhD
Sports anti-doping science consultant and writer
Previously Associate Director, UCLA Olympic Lab
Los Angeles, California

Douglas E. Rollins, MD, PhD
Professor of Pharmacology and Toxicology, University of Utah
Associate Director, Center for Human Toxicology
Scientific Advisor, Sports Medicine Research and Testing Laboratory
Salt Lake City, Utah

Fred Schaufele, PhD
Diabetes Center and Metabolic Research Unit
University of California, San Francisco
San Francisco, California

Richard R. Young
Partner, Holme, Roberts, & Owen
Colorado Springs, Colorado
The Partnership for Clean Competition (PCC) is an innovative research collaborative founded by the United States Olympic Committee (USOC), United States Anti-Doping Agency (USADA), Major League Baseball (MLB) and the National Football League (NFL), whose focus is to raise funds and make targeted grants in support of non-partisan and independent scientific research. Also participating and contributing financially to the PCC are the National Basketball Association (NBA), National Hockey League (NHL), and the PGA TOUR.
TUITION
$100.00
Registrations submitted by February 15, 2010
$150.00
Registrations submitted after February 15, 2010
Tuition includes registration and course materials.

LOCATION
MLB Conference Center
245 Park Avenue, 29th Floor
New York, NY 10167

ACCREDITATION
The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this educational activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE STATEMENT
The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is “truly independent” and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program’s participants. In addition, Accreditation Council for Continuing Medical Education policy now mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

ACCOMMODATIONS
A special rate of $199 (plus tax) for course registrants has been arranged at the InterContinental The Barclay New York, 111 East 48th St., New York, NY 10017-1297. Course registrants should call 1-800-327-0200 and request the PCC conference rate.

ENROLLMENT
Online
Use your MasterCard, VISA, American Express, or Discover card. Go to www.cme.ucla.edu and click on “The Science Behind Anti-Doping.”

By Mail
Use a check or a MasterCard, VISA, or Discover card. Please use the attached form and include either your check or charge card information and authorizing signature. For additional applications, use a photocopy or separate sheet giving all information requested on the form.

By Phone
Call 310-794-2620.

By FAX
Send the completed enrollment form with charge card information and authorizing signature to the Office of Continuing Medical Education at 310-794-2624.

REFUNDS
Cancellations must be received in writing by February 15, 2010, and will be subject to a $25 processing fee. No refunds will be given after that date. If, for any reason, the course must be canceled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided. You may fax your refund request to 310-794-2624.

For additional information, contact the Office of Continuing Medical Education David Geffen School of Medicine at UCLA 10920 Wilshire Boulevard, Suite 1060 Los Angeles, CA 90024-6512 310-794-2620 E-Mail: eayala@mednet.ucla.edu
